Upmetrics vs Financial Spreadsheets

Spreadsheets can be a powerful tool for preparing complex financial reports and forecasts. However, using them can be quite time-consuming, intimidating, and frustrating.

The image shows the Upmetrics Financial Plan interface. On the left, there are three buttons: 'Profit & Loss', 'Balance Sheet', and 'Cash Flow'. The 'Profit & Loss' button is selected. Below these buttons is a form titled 'What price will you charge for each unit?' with a 'Calculate' button. The main part of the interface is a table showing financial data for two periods: 2023-04 and 2024-04. The table has columns for Revenue, Cost of Sales, Gross Margin, and Operating Expenses. The data is as follows:

	2023-04	2024-04
Revenue	\$245,391	\$181,111
Cost of Sales	\$18,608	\$27,238
Gross Margin	\$196,783	\$154,273
Gross Margin (%)	80.21%	85.17%
Operating Expenses	\$24,329	\$18,957
	1814	\$15,279
	0.7%	\$6,657.01
	0.7%	\$102,695.01
	7.2%	\$6,621.00
	.16%	3.35%
	7.2%	\$184,675.77

Upmetrics could be your way out of boring & clumsy spreadsheets. Simply enter the numbers, and get accurate and easy-to-understand financial reports made in minutes - no more remembering complex formulas or fussing in the spreadsheet.
